Agenda item 5

Resolution adopted by the General Assembly

[*without reference to a Main Committee (A/ES-10/L.15)*]

ES-10/13. Illegal Israeli actions in Occupied East Jerusalem and the rest of the Occupied Palestinian Territory

The General Assembly,

Recalling its relevant resolutions, including resolutions of the tenth emergency special session,

Recalling also Security Council resolutions 242 (1967) of 22 November 1967, 267 (1969) of 3 July 1969, 298 (1971) of 25 September 1971, 446 (1979) of 22 March 1979, 452 (1979) of 20 July 1979, 465 (1980) of 1 March 1980, 476 (1980) of 30 June 1980, 478 (1980) of 20 August 1980, 904 (1994) of 18 March 1994, 1073 (1996) of 28 September 1996 and 1397 (2002) of 12 March 2002,

Reaffirming the principle of the inadmissibility of the acquisition of territory by force,

Reaffirming also its vision of a region where two States, Israel and Palestine, live side by side within secure and recognized borders,

Condemning all acts of violence, terrorism and destruction,

Condemning in particular the suicide bombings and their recent intensification with the attack in Haifa,

Condemning the bomb attack in the Gaza Strip, which resulted in the death of three American security officers,

Deploring the extrajudicial killings and their recent intensification, in particular the attack on 20 October 2003 in Gaza,

Stressing the urgency of ending the current violent situation on the ground, the need to end the occupation that began in 1967, and the need to achieve peace based on the vision of two States mentioned above,

Particularly concerned that the route marked out for the wall under construction by Israel, the occupying Power, in the Occupied Palestinian Territory, including in and around East Jerusalem, could prejudge future negotiations and make the two-State solution physically impossible to implement and would cause further humanitarian hardship to the Palestinians,

Reiterating its call upon Israel, the occupying Power, to fully and effectively respect the Geneva Convention relative to the Protection of Civilian Persons in Time of War of 12 August 1949,[1]

Reiterating its opposition to settlement activities in the Occupied Territories and to any activities involving the confiscation of land, disruption of the livelihood of protected persons and the de facto annexation of land,

1. *Demands* that Israel stop and reverse the construction of the wall in the Occupied Palestinian Territory, including in and around East Jerusalem, which is in departure of the Armistice Line of 1949 and is in contradiction to relevant provisions of international law;

2. *Calls upon* both parties to fulfil their obligations under relevant provisions of the road map,[2] the Palestinian Authority to undertake visible efforts on the ground to arrest, disrupt and restrain individuals and groups conducting and planning violent attacks, and the Government of Israel to take no actions undermining trust, including deportations and attacks on civilians and extrajudicial killings;

3. *Requests* the Secretary-General to report on compliance with the present resolution periodically, with the first report on compliance with paragraph 1 above to be submitted within one month and upon receipt of which further actions should be considered, if necessary, within the United Nations system;

4. *Decides* to adjourn the tenth emergency special session temporarily and to authorize the current President of the General Assembly to resume its meeting upon request from Member States.
